## Hair Color Cream

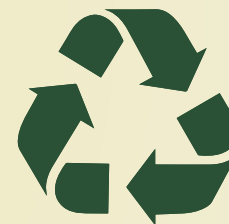

Thanks to new formula containing Organic Certified Raw Materials, BioMagic Hair Color Cream preserves the naturalness of the hair, and provides the hair with vitality and brightness.

We believe that beauty is inside out, which means that for our hair to be beautiful, it shouldn't be harming anyone in the process, including animals. Our products are created without animal products or derivatives

Ammonia FREE  
PPD FREE  
Resorcinol FREE

The formula enhanced with the newly-developed substitute materials prescribed by the European Commission Scientific Committee on Consumer Safety (SCCS) instead of ammonia, PPD and resorcinol.

Sustainable packaging made from recyclable material. Many consumers care about the impact they have on the environment. This impact directly relates to the products they choose to buy. And it affects the brands they choose to be loyal to.

Ammonia free professional hair colour cream for men. It covers white hair in just 15 minutes, rejuvenating the colour. Results are very natural, the neutral effect is neither warm or cold in tone. There is no regrowth and the effect gradually disappears in 5-6 weeks.

Following respected and careful standards, from beginning to end, our products are not tested on animals
